**3. LATE BIDS**: Sri Sathya Sai Central Trust will not accept any bid after the deadline for submission of bids.

#### II. GENERAL CONDITIONS OF CONTRACT

#### 1. DEFINITIONS

In this Contract, the following terms shall be interpreted as indicated:

- A ."The Contract" means the agreement entered into between the Sri Sathya Sai Central Trust and Contractor as recorded in the contract form signed by the parties, including all the attachments and appendices thereto and all documents incorporated by reference therein:
- B ."The Contact Price" means the price payable to the Contractor under the Contract for the full and proper performance of its contractual obligation;
- C ."Services" means services ancillary to the work, such as transportation and insurance, and all other incidental services, such as commissioning, provision of technical assistance, training and other obligations of the Supplier covered under the Contract;
- D "GCC" means the General Conditions of Contract contained in this section;
- E "SCC" means the Special Conditions of Contract;
- F. "The Contractor" means the Bidder selected for and services under this Contract.
- G. "The Trust" means the Sri Sathya Sai Central Trust, the tender Inviting Authority for the work.

#### 2. CHANGE OF ORDERS:

The Trust may, at any point of time, by written order given to the Contractor make changes modifications within the general scope of the contract in any one or more of the following:

- A .The scope of work;
- B. The specifications of work; and / or
- c. The services to be provided by the Contractor

#### 3. APPLICABLE LAWS:

The contract shall be interpreted in accordance with the prevailing laws of the Government of Andhra Pradesh and Union of India.

#### 4. NOTICES:

Any notice given by the Trust to the Contractor pursuant to this Contract shall be sent in writing or by e-mail and/or confirmed in writing to the Contractor's address specified in Contract.

A notice shall be effective when delivered or on the notice's effective date, whichever is later.

#### 5. AGREEMENT:

The successful Bidder(s) shall execute an agreement for the fulfilment of the contract on **Rs.100/-** non-judicial stamp paper in the prescribed format provided, within seven days from the date of acceptance of the Bid and intimation of the award of Contract.

The incidental expenses of execution of agreement shall be borne by the successful Bidder(s).

The conditions stipulated in the agreement should be strictly adhered to and violation of any of the conditions in full or in part will entail termination of the Contract without prejudice to the rights of The Trust towards Contractor and recovery of any consequential loss from the Contractor.

#### 6. CHANGE OF SPECIFICATIONS:

No change of specifications after the placement of Order shall be entertained unless the alternate model offered is equivalent or higher in specifications and approval of the Competent Authority has been obtained in writing for such a change of model before execution of the work. Execution of work without such an approval shall not be accepted.

#### 7. CONFLICT OF INTEREST.

Any Bidder having a conflict of interest, which substantially affects fair competition, shall not be eligible to bid in this tender. Bids found to have a conflict of interest shall be rejected as non-responsive. Bidder shall be required to declare the absence of such conflict of interest. A Bidder in this Tender Process shall be considered to have a conflict of interest if the Bidder:

- i. Directly or indirectly controls and/is controlled by or is under common control with another Bidder; or ii .Receives or have received any direct or indirect subsidy/ financial stake from another Bidder; or
- iii. Has the same legal representative/ agent as another Bidder for purposes of this bid. A Principal can authorize only one agent, and an agent also should not represent or quote on behalf of more than one Principal or
- iv. Has a relationship with another bidder, directly or through common third parties, that puts it in a position to have access to information about or influence the bid of another Bidder or influence the decisions of the Procuring Entity regarding this Tender process; or
- v. Participates in more than one bid in this tender process. Participation in any capacity by a Bidder (including the participation of a Bidder as sub-contractor in another bid or vice-versa) in more than one bid shall result in the disqualification of all bids in which he is a party. However, this does not limit the participation of a non-bidder firm as a sub-contractor in more than one bid; or
- vi. Would be providing goods, works, or non-consulting services resulting from or directly related to consulting services that it provided (or were provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm), for the procurement planning (inter-alia preparation of feasibility/ cost estimates/ Detailed Project Report (DPR), design/ technical specifications, terms of reference (ToR)/ Activity Schedule/ schedule of requirements or the Tender Document etc) of this Tender process; or
- vii. Has a close business or family relationship with a staff of the Procuring Organisation who: (i) are directly or indirectly involved in the preparation of the Tender document or specifications of the Tender Process, and/or the evaluation of bids; or (ii) would be involved in the implementation or supervision of

resulting Contract unless the conflict stemming from such relationship has been resolved in a manner acceptable to the Procuring Entity throughout the Tender process and execution of the Contract.

The Bidder shall go through instructions, terms and conditions given in this tender document. Failure to furnish all the requisite information called for in this Tender will be at the Bidders' risk and may result in rejection of the tender. The Bidder shall download the tender document, sign and send again by e-mail confirming that the Bidder has gone through all the terms and conditions of the tender.

#### 8. AMENDMENT OF BIDDING DOCUMENTS

At any time prior to the deadline for submission of bids, the Sri Sathya Sai Central Trust may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective Bidder, modify the bidding documents by amendment.

Any such amendment/ corrigendum shall be posted on the Sri Sathya Sai Central Trust website only and no other communication shall be made to any firm in this regard.

In order to allow prospective Bidders reasonable time, in which to take the amendment into account in preparing their bids, the Sri Sathya Sai Central Trust, at its discretion, may extend the deadline for the submission of bids.

#### 9. LANGUAGE OF BID

The bid prepared by the Bidder, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Sri Sathya Sai Central Trust shall be written in English language. Supporting documents and printed literature furnished by the Bidder may be in another language provided they are accompanied by an accurate translation of the relevant passages in the English language in which case, for purposes of interpretation of the Bid, the translation shall govern.

#### 10. FORUM FOR LEGAL PROCEEDINGS:

In all cases of disputes, the decision of the Tender Inviting Authority shall be final. Any dispute or difference or any matter arising out of contract or incidentals thereto under this enquiry shall be subjected to jurisdiction of a competent Court of Law in Puttaparthi in Andhra Pradesh alone and not in any other place.

## 11. ACCEPTANCE or REJECTION OF BIDS:

A .The Tender Inviting Authority reserves the right to accept or reject any or all bids and to annul the bidding process at any time prior to award of contract, without thereby incurring any liability or any obligation to inform the affected Bidder or Bidders of the grounds for the said action.

B .Any Bid with incomplete information is liable for rejection.

C .For each category of pre-qualification criteria, the documentary evidence is to be produced duly attested by the Bidder, serially numbered and enclosed with the bids. If the documentary proof is not

enclosed for any/all criteria the Bid is liable for rejection.

If any information given by the Bidder is found to be false / fictitious, the Bidder will be debarred for 2 years from participating in any other tenders and will be blacklisted.

#### 12. OTHER IMPORTANT CONDITIONS:

- 1. Validity of offer: The prices quoted must be FIRM and the offers made must remain open for acceptance for 90 days from the date of opening of Tender.
- 2. Payment Terms: Payment will be released within 15 days after receipt of the certified bill.
- 3. The Trust will not issue any statutory forms like, Form C, Form D, Way bill etc., and this should be taken into account by the Contractor while quoting the rates.
- 4. The Tender Quantity is Tentative. It can be increased or decreased at the discretion of the Trust.
- 5. After finalization of Tender, a work completion schedule shall be submitted by the Contractor which can be revised by the Trust.
- 6. Penal clauses of the Contractor whatsoever like payment of interest on late payment of bills etc. shall not be acceptable to Sri Sathya Sai Central Trust.
- 7. Impermissible variations to specifications of work will be viewed seriously and will lead to black-listing.
- 8. The Trust reserves the right to override all the terms and conditions of the tender at any moment. It may reject any tender without assigning any reasons thereof and the same shall not be questioned in any court of law on any ground, whatsoever.
- 9. TAXES: TDS as applicable under the Income Tax Act will be deducted from all payments made to the contractor.
- 10. DISCIPLINE AND BEHAVIOUR OF WORKMEN: The Contractor shall ensure proper decorum, discipline and decency within the premises of the Institution. Smoking, consumption or possession of alcoholic drinks, and non-vegetarian food items within the premises are prohibited.
- 11. STATUTORY REQUIREMENTS: All necessary permits, licenses, registration and other Environment / Planning-related clearance needed for the works will be arranged by the Trust, assisted by the Contractor in respect of provision of the required data.
- 12 ASSIGNMENT AND SUBLETTING: The Contractor shall not assign or sub-contract any part of the work to another agency without prior written approval of the Trust.

13. LIQUIDATED DAMAGES: The Contractor undertakes to complete the work within the stipulated period. In case there are delays not attributable to Force Majeure, and without acceptable justification, the Trust can issue a notice of 15 days to the Contractor to make up the delay, and if there is still a delay, the Trust reserves the right to levy Liquidated Damages to the extent of 2% of the contract value per week of delay. If and when the Liquidated Damages reach a limit 10%, the Trust shall be entitled to determine the Contract and get the work carried out by another agency, with any relevant costs in excess of the contracted value accruing to the Contractor's account

#### 14. LABOUR LAWS:

The Contractor shall be responsible for full compliance with all laws and regulations relating to labour, employment, compensation, wages, working conditions, environment, insurance, safety, etc., and the Trust stands fully indemnified against any claim in this regard.

#### **III.SPECIAL CONDITIONS OF CONTRACT**

PART B	WATER SUPPLY SYSTEM -			
1.0	Supply and Fixing of approved make Chlorinated			
	Polyvinyl Chloride pipes (CPVC) of SDR 11			
	confirming IS 15778 with all CPVC fittings and specials			
	such as tees, elbows, couplers etc with CPVC brass			
	threaded combination/ transition specials such as male			
	adopters brass threaded, female adopters brass threaded,			
	FABT tee, FABT elbow conforming to ASTM - D			
	2846,up to 50 mm dia etc where connection with metal			
	is to be made including cutting holes and chases in walls			
	and floors and refilling it by cement mortar of 1:3 mix (1			
	Portland Cement: 3 hard settling cement compound)			
	and making good the walls etc as directed by the			
	Engineer in charge. Joints to be made with CPVC			
	solvent as per ASTM F 493 etc complete.( Internal,			
	supply pipes in concealed walls/suspended in walls,			
	ceiling etc)			
	Make : Astral / Ashirwad			
	DOMESTIC treated water:			
	20 mm	Rmt	1,920	
	25 mm	Rmt	1,460	
	32 mm	Rmt	1,360

	450 x 450 mm clear opening (weight of frame and cover	No.s	RO	
	medium duty)	140.3	RO	
	medium duty)			
6.0	Providing and fixing of square mouth gully trap			
	complete with CI grating brick masonry chamber 115			
	mm thick using table moulded bricks in CM 1:4 over a			
	bed of 75 mm thick PCC 1:4:8, internal and external			
	plastering in CM 1:4, 12 mm thick supply and fixing of			
	FRP frame and cover air tight fit to carry adequate loads			
	as per the position of the chambers etc The quoted rate			
	should include for necessary excavation in all sorts of			
	soil, returning, filling, and connecting to chamber.The			
	base & Side walls of the chamber to be water proofed			
	with water proofing plaster etc., complete.			
	450 x 450mm `P' or `S' trap.	No.s	4	

7.0	Providing and Construction of Manhole with best			
	quality, approved table moulded bricks in CM 1:6,			
	500mm dia at top and 1200mm dia.at bottom over a bed			
	of 250mm thick PCC 1:4:8, walls plastered smooth inside			
	in CM 1:3 and outside with CM 1:3 with sponge finish,			
	benching and channeling in PCC 1:2:4. supplying and			
	fixing PVC steps as per drawing for maintenance. The			
	manhole shall besupply and fixing of FRP frame and			
	cover air tight fit to carry adequate loads as per the			
	position of the chambers etc with . Circular 660mm dia.			
	Clear opening etc., complete. The quoted rate shall also			
	include for necessary excavation, refilling, disposing off			
	surplus earth with in a lead of 300M etc., complete.			
	Depth upto 2.0 Mtrs.	Nos.	RO	
	Depth upto 1.8 Mtrs.	Nos.	RO	
8.0	Excavating trenches in all sorts of soil of required	Cum		
	width for pipes cables etc., including excavation for		86	
	sockets and dressing of sides, ramming of bottoms depth			
	upto 2.5 m including getting out the excavated soil and			
	then returning the soil as required in layers not exceeding			
	20 cms in depth including consolidation danger lighting			
	pumping out water removing the slush and sullage etc.,			
	and disposing the surplus excavated earth within a lead			
	of 50 m or as directed. (Pipes exceeding 80 mm dia but			
	not exceeding 300 mm dia).			
9.0	Supplying, supports ready factory made G.I slotted			
	wall brackets channelled rails upto 2.5mm thick, used			
	to fix pipes with threaded rods for necessary lengths,			
	fastening with screwed end anchor type bolts, clamps			
	arrange for scaffolding, support system etc for ereection			
	in contractor scope etc, for fixing on walls/celing by			
	using hanger rods welded/grounted and the brackets
